

Can Euna

Luxury Home in Sant Augustin (5 bedrooms / 5 bathrooms)

Can Euna is a 5 bedroom villa, located close to the remarkable bays of Cala Bassa, Cala Conta, with its unrivalled sunset views, and only a short drive from the small picturesque village of San Agustin. The delightful interiors maintain a typical 'Ibicenso' style, while contemporary lighting, artwork and high-end furniture add to the seamless blend of traditional design with modern day sophistication. The exteriors are centred around a delightful pool area with high quality decking and sun loungers. A formal and a more relaxed, bohemian al fresco style dining space and two luxury sofa chill-out areas are available.
